

PROFILE

Hello! My name is George Bronner and I would love to preside over your vow renewal ceremony or speak at your next event.

While I am dedicated to helping others, I still love everyday things: video games, playing basketball with my brothers & friends, talking & hanging out with friends, and listening to music.

HOBBIES

Listening to audio books
Video games
Basketball
Talking with friends
Helping people
Debate

KEY SKILLS

Confidence
Goal-Oriented
Commitment
Self-motivated
Works well under pressure
Disciplined

COMMUNICATION

Being on the speech/debate team and leading our congregation in my "Imagination Station" program has taught me about the importance of clear and effective communication. I think well under pressure and prefer not to be long winded. I'd rather let the message speak for itself, inside you. Everyone can relate to the same message differently. I am passionate about teaching people and I'm hoping that I can make a positive difference in this world.

GEORGE BRONNER

Ordained Minister

EDUCATION

High School Student
Graduating Class of May 2023

PREVIOUS EXPERIENCES

The Ark of Salvation

Minister/Teacher, "The Imagination Station"
2014 – Current

Once a month, I am the speaker and teacher for my program, "The Imagination Station". Three topics I have spoken on are "Toxicity", "Who Are You" and "Fear is Corrosive" because I feel passionate about these topics and because they are important subjects in today's current environment.

Assistant, "God Heals"
2013 – Current

I have been helping fill the bottles of anointed oil for the "God Heals" program since I was 7 years old. I feel as though this is an important program for the church because of how much it helps educate our congregation's heart and spirit. I also pray over individuals who come out for "God Heals" for prayer once a month on Sunday evening.

Speech Class and Debate

August 2019 - Current

Speech and debate has helped me hone my skills in verbal presentation skills, confidence, my personal time management skills, and has given me assessments of my written and oral arguments.

Sales System Trainee

June 2019 – July 2019

Training to be able to develop better sales systems and did cold sales selling health food products at Century Systems company. I was able to use the skills I learned in my previous experiences in debate and as a speaker in church, in order to sell their products.
